

Request for Tender

Quinte West Soccer Club (QWSC) is seeking the supply of uniforms for the 2019 season for a period of three (3) years up to and including 2021. A further three (3) year contract may be offered. The following is what QWSC views as the best options for what is needed, however QWSC is open to alternate ideas.

Organization

QWSC exists to provide soccer to the youth in our community in both a competitive and non-competitive environment. QWSC is governed by a voluntary board and is a not for profit organization.

Tender Application Requirements

- Each tender application will be required to provide three examples of previous work. The examples must be of soccer uniforms and must include a men and women's cut.
- Each application must provide an itemized quote.
- Sample of uniforms to share with our membership for approval

Design

The designs of the uniforms are to be developed in consultation with QWSC until an agreement is made. The design will remain the same for 2019-2021.

Three separate designs will be required.

- 1) Predominantly forest green uniform for competitive teams to be used as their primary uniform.
- 2) Alternate uniform for competitive teams may be of a stock variety.
- 3) Uniforms for our co-ed house league available for players from U3-U18. Uniform must be available in a minimum of 8 colours.

The selected uniform designs will need to be suitable for a full range of sizes, YS-AXL.

Logos

QWSC will provide you with logos for each uniform.

Time Frame

Uniforms will be delivered on a mutually agreeable time in February.

Deliveries

All items are to be delivered to the QWSC office.

Quotes for uniforms with samples are due July 31, 2018.
